

Employee Work Passion Appraisal

What is the EWP-A?

A valid and reliable cultural assessment tool that measures how an employee thinks and feels about their work environment and their associate intentions to act; and provides insights on employee intentions and/or actions.

The EWP-A Experience

Research shows that these thoughts and feelings have a direct impact on the employee's work-related intentions, influencing their desire to:

- 1) Stay With Their Job/Company
- 2) Perform Well in Their Job
- 3) Go Above and Beyond
- 4) Positively Endorse Their Job/Company
- 5) Organization Support and Involvement

WHAT IS CULTURE?

Organizational culture is the collective personality and shared values of a company, manifesting in behaviors, actions, and symbols that shape its unique social and psychological environment.

Revolutionize your culture and elevate your results with EWP-A!

Why Employee Work Passion Appraisal?

The EWP-A provides organizations actionable data to guide tailored and specific interventions to improve performance, culture, and employee wellbeing.
